Society as a whole shares responsibility for promoting the safety and protection of children from abuse. In the School context, all members of the School community have their role to play – teachers, staff, administrators, parents / guardians, volunteers and students. That said, the School's leadership team is committed to leading from the front and engaging in a preventative, proactive and participatory approach to child protection issues.

Students are encouraged to take an active role in developing and maintaining a child safe environment at the School and are provided with opportunities to contribute and give feedback in the development of the School's policies and practices through the Attitude to Schools Survey.
