Dear Parents, Grandparents and Friends,

Our first School Council meeting will be held on Monday evening commencing at 7:00p.m. in the staffroom. Members will be emailed all relevant documents.

Each teaching unit has completed a 2016 Unit Curriculum Summary. These can be found on our school website and contain relevant curriculum information and planned programs and excursions.

At the beginning of every school year we encourage you to meet with your child’s teacher. This is an opportunity to discuss specific learning goals and/or any particular issues that may present as obstacles to your child’s learning. If you wish to meet with your child’s teacher, please contact them directly to make an appointment at a mutually convenient time.

On the weekend of Saturday February 27th/ Sunday February 28th our school community will be involved in the 2016 Ballarat Relay for Life. I’d encourage you to join our team “This is for Tina” and support this very worthy cause. We last took part in this event in 2012 when we had quite good support from our school community. If you cannot participate in the actual event, you may wish to make an online donation.

We are already in the process of planning for accommodating student enrolments for 2017. Our current enrolment is the highest it has been for many years so I am keen to ensure we plan effectively to meet the needs of all of our children. To this end I would request that if you have a child you intend enrolling in Prep for 2017 that you do so by the end of February in order to secure a place.

Please note that the Department of Education, Victoria does not provide personal accident insurance or ambulance cover for students. Parents and guardians of students who do not have student accident insurance/ambulance cover are responsible for paying the cost of medical treatment for injured students including the cost of ambulance attendance/transport and any other transport costs. Also, the Department cannot advise parents/guardians on whether to purchase a student accident policy/ambulance cover, or which policy to purchase.

Personal property is often brought to school by students. This can include mobile phones, toys and sporting equipment. As the Department does not hold insurance for personal property brought to schools and has no capacity to pay for any loss or damage to such property, students are discouraged from bringing any unnecessary or particularly valuable items to school.

City of Ballarat traffic inspectors regularly patrol and issue infringement notices to motorists who double park in front of the school. The school has worked proactively over the years with the City of Ballarat in this regard to maintain school community member safety

Have a great weekend!

Paul Nolan
Principal

ARE YOU ELIGIBLE FOR CSEF?

DO YOU HAVE A HEALTHCARE CARD?

New 2016 forms are now available from the school office. Forms need to be returned by Monday February 29th. For more information please see Vicki.

- **CHICKEN POX**: There has been confirmed reports of Chicken Pox in the school in the last couple of weeks. People with babies or pregnant women are at a particular risk, please take the necessary precautions.

- **ASTHMA PLANS** – it is a legal requirement that the school has a current School Asthma Action Plan from your child’s doctor and forward it onto our school for our records. In order to give your child the best care and treatment when required it is imperative that we have relevant information from these plans. We would appreciate you forwarding your child’s School Asthma Action Plan to Vicki at the office as soon as possible. **Travis Faulkhead School First Aid Co-ordinator**

- FROM THE ARTROOM…… A new school year has begun and two weeks in the students creativity is flourishing in the artroom. Could you please make sure your child has an art smock to protect their uniform. We welcome any recyclable goods which are an invaluable resource in the day to day running of our artroom. **Thank you, Jillian**
