Parent participation in school events and programs is greatly valued at Dana Street Primary School. We have a very welcoming school council and parents group, that assists in organising fundraising and other child friendly events for the school.

Currently we have a community playgroup for younger brothers and sisters that meets on a regular basis.

Many families and teachers are involved in sporting activities, that involve school teams in netball, football, indoor cricket and indoor soccer.

A bit about Dana Street...

Dana Street Primary School is committed to the success of each of its students.

Students from prep to year six work in buddy systems, where they learn together and are encouraged to be lifelong learners.

Alongside our comprehensive Literacy & Numeracy programs Dana Street offers a variety of curriculum programs.

Extra curricula activities are available in dance, piano, guitar, drums, and speech and drama.
